WELCOME THE VETERANS.

money after bad.

Grand Army of the Republic should honor conferred upon the people of the state and the citizens of Salt Lake that they are to be allowed to grasp the grizthe hand, and what an inspiring sight for the youth to witness the parade of the old heroes who participated in one of the most bloody wars since the world began.

The ranks are rapidly thinning these days, and soon but a straggling remnant of the victorious hosts of Grant and Sherman will remain. They are en-It must have been with a keen sense titled to the respect and veneration of now being served up. their countrymen, and a liberal appropriation for their entertalnment will be unanimously approved.

cussion, the governor's declaration was coming weary of the actions of Presiendeavoring to use his high office for the purpose of attempting to blacken the character of senators and representatives and private citizens as well. The Cieveland Plain-Dealer, one of the strongest independent papers in the country, voices the sentiments of millions when it says:

| Commission was a great surprise to him. However, he immediately departed for the Dakota agency, to which he had been appointed, and immediately assumed control. Some six months later a federal inspector visited the agency, and seeing Wright in the agent's office, inquired if Mrs. Jack Keith will entertain inncheon on Monday at the University of the poung agent: "I am Mr. Wright."

"Not J. George Wright?" further queried the inspector.

Wright insisted on his identity and the dumfounded inspector was forced to ad-There were those who said that the endeavoring to use his high office for federal bunch had all'ed itself so closely the purpose of attempting to blacken with the brewery and whisky interests the character of senators and repreduring the last state campaign that the sentatives and private citizens as well. governor, as a member of that clique, The Cleveland Plain-Dealer, one of the could not afford to antagonize those in- strongest independent papers in the

How strange it will seem to have a man his excellency would not dare to mention prohibition in his message.

The best answer to these base suspicions and baser calumnies is found in the message itself.

How strange it will seem to have a man in the White House who recognizes that there are three co-ordinate branches of the government and is content to run one. Who will not criticise the courts for what he thinks is their dereliction, nor attack the legislative branch for its alleged moral obliquity.

Who will have no Ananias club for private citizens and public officials who may

THE WRONG MR. WRIGHT.

END CLOSE AT HAND.

The average American citizen is becoming weary of the actions of President Roosevelt in stirring up strife and endeavoring to use his high office for the story of the actions of the endeavoring to use his high office for the story of the story. Wright was first apprised of his appointment by official advice from Washington. He had not been an applicant for favors and hence the commission was a great surprise to him. However, he immediately departed for the story of Commissioner J. George Wright's first Indian service is the old when pink sands. Following the play the company was entertained at a tea, when pink roses and pink shaded can an applicant for favors and hence the commission was a great surprise to him. However, he immediately departed for the story of Commissioner J. George Wright's first Indian service is the old when pink roses and pink shaded can when pink roses and pink shaded can an applicant for favors and hence the commission was a great surprise to him. (Kansas City Journal.)

wright insisted on his identity and the dumfounded inspector was forced to admit the evidence of his eyes and ears, although he was expecting to interview an elderly man. The inspection, however, proved so satisfactory that, despite the fact that the appointment was intended for Wright's father, whose initials the department had confused with his son's, the young agent was retained in the service.

Judge E. F. Colborn and his daughter have returned from Ann Arbor, where they have spent the past month with Mrs. Colborn, who is spending the winter there.

Mr. and Mrs. Thomas Kearns expect to to leave tomorrow for the east, the young agent was retained in the service.

If St. Paul could lift the veil and card of the office "boy," an old soldier peer down the centuries to the present from the Invalides, who was employed to Farr was distinctively a citizen of this time, he must have had the president commonwealth, a builder of Utah, a in mind when he penned his epistle to man who contributed much to the mathe Romans regarding "them that are in the contributed much to the mathe Romans regarding "them that are in the contributed much to the mathe Romans regarding "them that are in the contributed much to the mathe man's name was the title, "The Emhas been visiting her parents, Mr. and
